

## Over the Mountain Quilter's Guild

October 2010 Project

### Creating T-Shirt Memory Quilts

Presented by Holly Massey  
280-0643

Whatever shall we do with the little league uniforms and soccer jerseys? Or all the t-shirts Grandma and Grandpa brought the kids back from vacation? Let's create a useful quilt with memories that can be used at any age.

This is a fussy cut method that allows for imagination. There is not a pattern!

½ yd of Interfacing will be provided to each attendee

#### Supplies Needed:

- 2 to 4 T-shirts, Polo Shirts or uniforms (to get you started)
  - T-shirt with logos, small designs or large designs are great.
- Border fabric (to be placed around T-shirt)
- Sewing machine
- Basic sewing supplies
- Rotary cutter
- Rulers
  - 20" X 20" is nice to work with t-shirts that have a large design and to square up smaller t-shirts as well
  - 6" X 24" for borders
