Images on Fabric Project
with Mitered Corner Borders

What to Bring:

2 snapshots of your choice up to 5"x7" each -- may be snapshots of people, landscapes, landmarks, etc. These will be scanned into a computer, color corrected, and printed on provided pretreated fabric for you. (Note, you may use photos that are copyrighted if they will be for personal use only and *not* for sale.)

1 fat quarter of complementary fabric for sashing (will do 2" finished borders on two 5"x7" blocks).
OR, 1/3 to 1/2 yard of complementary border print fabric.

For this project you will also need a 6"x6" ruler with a 45° guideline, sewing machine and usual supplies.
